Dear Sir/Madam

23-SEP-97

TOWN AND COUNTRY PLANNING ACT 1990
AMENDMENT TO PROPOSED DEVELOPMENT

Having considered the above details, I have to advise you that the Authority is not able to consider the revised proposal as an amendment because the changes are too significant or certain details have changed so that amending the application is not appropriate. A fresh application for planning permission should therefore be submitted if you wish to pursue the revised scheme.

This does not imply that permission will or will not be forthcoming in respect of such a revised application, and you are reminded that approval under the Building Regulations may also be required.
You are also reminded that the resubmitted planning application may require a further fee, depending on the extent of the changes and when it is submitted. Further advice can be obtained from this office.

Development is too different to the original proposal to be considered as an amendment.

Yours faithfully,

Director of Housing and Planning Services
