Dear Sir/Madam

TOWN AND COUNTRY PLANNING GENERAL REGULATIONS 1992 APPLICATION FOR PLANNING PERMISSION FOR DEVELOPMENT BY THE COUNTY COUNCIL

PLANNING REFERENCE: PL/0095/15
DEVELOPMENT: ERECTION OF A SINGLE STOREY PKL KITCHEN POD INCORPORATING NECESSARY SERVICES AND DRAINAGE
LOCATION: SPALDING ST PAUL'S COMMUNITY PRIMARY AND NURSERY SCHOOL, QUEEN'S ROAD, SPALDING
GRID REFERENCE: 525944 323455

I refer to my previous correspondence regarding the above application. Further information has been received in support of this application which is set out below:

"This is to confirm that the kitchen pod which is proposed at St Paul's Primary School, and is the subject of the current planning application, is being installed to provide kitchen facilities to enable hot meals to be provided to pupils attending the school in the first instance, in keeping with the government policy to provide universal free school meals to pupils in Key Stage 1 (infants) which comes into force at the beginning of September 2014.

The facility provided by the pod has limited capacity in terms of producing meals. Governors of the school may wish at some point in the future, to offer the service of providing a hot school meal to other schools in the locality, but this would be part of a future plan and is not intended to be undertaken in September, and would be need to take account of pod's capacity.

Currently, the school receives meals which are produced by an external provider and there is a daily delivery of meals and a collection of dirty returns. This constitutes two daily vehicular movements. The vehicle movements associated with the proposed delivery of goods to be used to provide meals on site will be likely to be around 3 per week. Goods are expected to be delivered up to 8am and between 9.30am and 2pm on school days. If and when the school decides to provide meals for other schools, it is anticipated that this will add two daily vehicle movements.

The hours that the pod will be operational are identified in the application as between 7am and 6.30pm. On the majority of school days, the pod will not be used after 2pm – however, the timeframe indicates use up to 6.30pm to support the school in providing refreshments for school

events like concerts, plays, and parents' evenings which may occur infrequently over the school year.

I hope that this clarifies the intended use of the kitchen pod."

Should you wish to make any comments on this application I would appreciate if you could send these within **7 days** of the date of this email, otherwise I will assume you have no comments to make.

Should you feel that you require to discuss the contents of this email, please do not hesitate to contact Anne Cant at this office on 01522 782070.

Yours faithfully
