Lincolnshire County Council Deemed Planning Permission

Town and Country Planning Act 1990

Town and Country Planning General Regulations 1976

Date of Proposal 22 May 1992

Planning Reference No H.16/585/92

Part 1 Planning Permission

1. On **14 JUL 1992** the Lincolnshire County Council resolved, for the purposes of Regulation 5 of the Town and Country Planning General Regulations 1976, to authorise the carrying out of the following development

namely, to use educational premises as Class B1 offices (other than for a use within Class A2 - financial and professional services) at Welland Hall, London Road, Spalding.
2. Take notice that Planning Permission is thereby deemed to have been granted, on that date, by the Secretary of State for the Environment to carry out that development subject to the following conditions.

Part 2 Conditions

1. The development must be begun not later than the expiration of five years beginning with the date of this permission.
2. No trees within the site shall be felled without the prior written consent of the local planning authority.
3. Before any development is commenced the approval of the local planning authority is required to a scheme of landscaping and tree planting for the site (indicating inter alia the number, species, heights on planting and positions of all the trees). Such scheme as approved by the local planning authority shall be carried out in its entirety within the period of 12 months beginning with the date on which development is commenced, (or within such longer period as may be agreed in writing with the local planning authority). All trees, shrubs and bushes shall be adequately maintained for the period of 10 years beginning with the date of completion of the scheme and during that period all losses shall be made good as and when necessary.

/continued

Signed 
Chief Executive
Lincolnshire County Council

Date **14 JUL 1992**

NOTES:

1. This permission must be entered in the statutory register of planning decisions maintained by the District Council (as required by the Town and Country Planning General Regulations 1976). In addition the District Council is requested to make an entry in the Land Charges Register of any conditions attached to this permission.
2. This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other enactment, byelaw, order or regulation.

CONDITIONS Cont'd

4. Before the proposed offices are brought into use a one way "in and out" access arrangement shall be brought into operation via the 2 existing points of access from London Road. The northern access shall be used as the entrance only and the southern access as the exit only. Such access arrangement shall continue for as long as the existing accesses are required to serve the proposed offices.
5. Before the proposed offices are brought into use, car parking space at the rate of 1 space per 33 square metres of gross floor space shall be provided on site. Such space shall be kept available for car parking use at all times when the proposed offices are in use.
6. Details of the surfacing materials for any additional car parking area necessary to satisfy the requirements of condition 5 shall be submitted to and approved by the local planning authority before such car parking area is constructed.
7. The premises shall be used only as offices and not for any of the other purposes referred to by Class B1(b) and (c) of Part B of the Schedule of the Town and Country Planning (Use Classes) Order 1987 or any of the other purposes referred to by Class B (b) of Part 3 of Schedule 2 of the Town and Country Planning General Development Order 1988 (or referred to by any provision equivalent to those Classes in any statutory instrument revoking and re-enacting those orders).

The reasons for the conditions are:-

1. Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.
2. & 3. In the interests of preserving or enhancing the character or appearance of the listed building, and of the Spalding Conservation Area.
4. In the interests of the safety and convenience of traffic using London Road.
5. In order to ensure the provision of a suitable level of on-site car parking space commensurate with the setting of Welland Hall.
6. In order to ensure that the appearance of any such car parking area is in keeping with the character and setting of Welland Hall.
7. Use for such purposes would be detrimental to the fabric, character, and setting of Welland Hall which is a grade II* listed building and to the character and appearance of the Spalding Conservation Area.

NB Attention is drawn to the fact that Welland Hall is "listed" as a building of Special Architectural or Historic Interest standing within the Spalding Conservation Area. It is an offence to carry out any unauthorised work for any demolition or alteration affecting its character, either internally or externally, unless Listed Building Consent/Conservation Area Consent (as appropriate) for such works is first obtained from the South Holland District Council.
