Description: Single-storey rear extension

Location : 15 EDINBURGH DRIVE SPALDING

South Holland District Council give notice that PRIOR APPROVAL IS GRANTED as, notwithstanding the objection(s) received, it is not considered that the effect of the development on the amenity of adjoining properties is unacceptable.

Note(s):

This development must be carried out in accordance with the information supplied on the application form and in accordance with all other relevant limitations and conditions which apply to rear extensions, as set out in Class A of the Town and Country Planning (General Permitted Development) Order 2015 (as amended). Details of which can be found at www.planningportal.gov.uk.

The extension must be completed on or before 30 May 2019 and the Local Planning Authority must be notified in writing of the date of completion. Failure to notify the Local Planning Authority within a reasonable time of completion after that date may lead to planning permission being subsequently required.
