TOWN AND COUNTRY PLANNING ACT 1990

WORKS TO A PRESERVED TREE

Reference: H16-0599-17 **Date of Decision:** 26th July 2017
Applicant: Mr P Hall
13 Westbourne Gardens
Spalding
Lincolnshire
PE11 2RF

Location: 13 Westbourne Gardens Spalding
Description: Works to Spalding Tree Preservation Order No. 62 2003.

Detailed Description:

Application to remove a lime tree identified as T2 of Spalding Tree Preservation Order No. 62 2003, located in the north eastern corner of the rear garden of 13 Westbourne Gardens.

In the words of the applicant 'Fell lime tree T2 on attached copy of TPO No.62 /2003 replant with standard lime. Tree no.2 on this plan has been identified as having been affected with Kretzschmaria deusta (also known as Ustilina deusta). Numerous branches have died, and several have fallen to the ground.'

(Please note that this is a retrospective consent as the tree in question was felled on 19th June 2017, due to the potential of wind throw due to fungal infection.)

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

- 1 That the proposed work is carried out within two years of the date of this decision unless otherwise agreed with the District Council.
- 2 Work is to be carried out in accordance with BSI 3998 : 2010, 'Recommendations for Tree

Work'.

- 3 The resulting stump of the tree should be ground out to at least 300mm below ground level, unless otherwise agreed with the District Council, to help reduce the risk of the stump harbouring decay fungi which could infect nearby trees.

Notes:

The necessary consent of all other interested parties should be obtained before the works proceed.

In this case the duty of the landowner is to plant another tree, of an appropriate size and species, at the same place and as soon as reasonably possible.

It is recommended that the replacement is a standard lime of at least 1.5 metres in height on planting,
to be planted as near as reasonably practicable to the position of the original tree within a period of twelve months.

Please inform the Local Planning Authority as soon as replanting has taken place and indicate the position of the replacement tree. Section 207 of the Town and Country Planning Act 1990 empowers this Authority to issue a Notice formally requiring replacement trees to be planted.

Under the Wildlife and Countryside Act 1981 (as amended) all birds, their nests and eggs are protected by law and it is an offence to damage or destroy the nest of any wild bird while it is in use or being built. In the event of query please contact Natural England at their Lincoln office on 03000 603900.

Bats are protected species under the Wildlife and Countryside Act 1981 (as amended) and in the event that bats are living in any cavities in the tree(s), or if they are discovered while the works are taking place, please inform Natural England at their Lincoln office on 03000 603900 before works proceed.

Paul Jackson
Place Manager
South Holland District Council

RIGHTS OF APPEAL:

Where an application is made to the Authority for consent and that consent is refused or is granted subject to conditions the applicant, if aggrieved by the decision, may appeal to the Planning Inspectorate (PiNS). Appeals must be received by the PiNS within 28 days of the Council's decision. The appeal should be made on the relevant TPO (consents) appeal form which can be obtained from PiNS. The form can be found on the Planning Portal website at:

www.planningportal.gov.uk/planning/appeals/otherappealcasework/treepreservation

Alternatively a form can be obtained by writing to The Environment Team, Room 3/25 Hawk Wing, Temple Quay House, 2 The Square, Bristol, BS1 6PN or telephone on 0117 3728192

If you visit the Planning Portal web site you will be able to complete the appeal form and return it to PiNS electronically via the email address:
