Details of the pre-application advice received

Overall, subject to consultation responses received during a formal application, in my opinion the proposal could be acceptable. This planning advice is given in good faith but is an officer opinion only and therefore is not binding on any formal decision the Council may make following the receipt of a planning application.

The works that you are proposing may also require Building Regulations and this informal advice or any subsequent planning permission does not give authority under Building Regulations to commence work.

Please contact the Building Control section for further information on 01775 764557.

Building control contacted and been to site for site inspection.

(a) a member of staff

(b) an elected member

(c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
