Doors

White & woodgrain

Discover how you can bring the outdoors into your home and create a greater sense of space and light by adding Patio or French doors. Designed by VEKA to have all the style, durability, weather resistance and security as our windows and conventional doors, they can transform any room by opening it up to the great outdoors.

the great outdoors

Patio Doors

- Available in white, a choice of woodgrain finishes or a combination of white and woodgrain.

Our patio doors come in wide range of styles to ensure every one can fit in perfectly with the doors, windows and overall look of your home. The option of in-line sliding patio or French - traditional hinged opening - doors adds even more choice.
