South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED for the development in accordance with the application and plans submitted, subject to any condition(s) set out below:

1 The development must be begun not later than the expiration of five years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990.

2 The applicant shall control the level of noise emanating from the premises such that:
a) The equivalent continuous A - weighted sound pressure level (LA eq 5 minutes), measured 1 metre outside a window of a habitable room of any noise sensitive premises shall not exceed the background noise level (LA 90 5 minutes), measured at the same location, and at a comparable time, with no such noise taking place, by more than 5dB.
b) The equivalent continuous sound pressure level (L eq minutes) in 63Hz or 125Hz octave bands (whichever shows the greatest amplitude), measured 1 metre outside a window of a habitable room of any noise sensitive premises with entertainment taking place at the premises shall not exceed the corresponding L 90 5 minutes background noise level, measured in the same octave band, at the same location, and at a comparable time, with no entertainment taking place, by more than 5 dB.

Reason: To safeguard the amenities of the locality.

3 Prior to the commencement of the development, details of fume extraction/arrestment shall be submitted to and approved in writing by the Local Planning Authority. The approved details shall thereafter be installed, retained and maintained such as will ensure that emissions to atmosphere are free from offensive odours as determined by an officer of the Local Planning Authority.

Reason: To safeguard the amenities of the locality.

4 Details of any external fixed plant and/or equipment shall be submitted to and approved in writing by the Local Planning Authority prior to the installation of such fixed plant and/or equipment.

Reason: To safeguard the amenities of the locality.

5 Prior to the commencement of development a noise assessment and appropriate remediation scheme relevant to adjoining residential units shall be submitted to and approved in writing by the Local Planning Authority. The said soundproofing scheme shall be completed prior to occupation of the premises.

Reason: To safeguard the amenities of the locality.

The determined plans are:-
Location plan received 21 May 2001.

The applicant is advised that this permission is for the change of use only and does not permit any alterations which would affect the external appearance of the building. Such alterations would require the submission and approval of a further application.

Your attention is drawn to the need to comply with the provisions of Section 4, 7, 8 and 8(a) of the Chronically Sick and Disabled Persons Act 1970, where appropriate, and to the Code of Practice for Access of the Disabled to Buildings (British Standard Institutions code of practice BS 5810:1979) or to Design Note 18 'Access for Disabled People to Educational Buildings', or to documents replacing such codes. Any work required which would alter the proposal hereby permitted may need a further application for planning permission.
