Location: Treetops The Raceground Spalding

Description: Works to Spalding Tree Preservation Order No 14 1983.

Detailed Description:

Application to carry out works on a lime tree situated in the front garden of the property known as Treetops, The Raceground, Spalding.

The tree is identified as T9 of Spalding Tree Preservation Order No 14 1983.

'1 split stem lime tree in poor condition decaying badly in previous pollard cuts at 4 metre 'ish'; black staining in stem all round.

Seeking consent to re-pollard at approx. 1 metre above previous pollard. Let it form new crown to save failure at later date.'

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

1 That the proposed work is carried out within two years of the date of this decision unless otherwise agreed with the District Council.

2 Work is to be carried out in accordance with BSI 3998 : 2010, 'Recommendations for Tree Work'.

Notes:

The necessary consent of all other interested parties should be obtained before the works proceed.

Other than the removal of dead wood lime trees should preferably be pruned in late July and August or alternatively in the autumn months. Avoid pruning from the end of January onwards, as the bleeding of sap may be a problem.

Under the Wildlife and Countryside Act 1981 (as amended) all birds, their nests and eggs are protected by law and it is an offence to damage or destroy the nest of any wild bird while it is in use or being built. In the event of query please contact Natural England on Tel: 03000 603900.

Bats are protected species under the Wildlife and Countryside Act 1981 (as amended) and in the event that bats are living in any cavities in the tree(s), or if they are discovered while the works are taking place, please inform Natural England on Tel: 03000 603900 before works proceed.
