

The image contains two architectural drawings of a house. The drawing on the left is a side elevation showing a two-story house with a gabled roof, two chimneys, a front door, and a window. The drawing on the right is a sectional side elevation, labeled 'SECTIONAL SIDE ELEVATION AA', showing a cross-section of the house with a gabled roof, a chimney, and a front door. The drawings are in black and white line art style.

Architectural drawing of a house, showing two views: a side elevation and a sectional side elevation (AA).

The side elevation (left) shows a two-story house with a gabled roof, two chimneys, a front door, and a window.

The sectional side elevation (right, labeled AA) shows a cross-section of the house, revealing the internal structure, including the roof, walls, and floor. It also shows the chimney and the front door.
