Description: Works to Spalding TPO No 1 1962

Detailed Description:

Application to carry out works to a mature cut-leaf beech tree in the rear garden of 2 The Beeches.

The tree is within Area One of Spalding Tree Preservation Order No 1 1962.

' Cut Leaf Beech only one in the garden to the rear of bungalow and approximately 9 to 10 yards from it. The branches have already' begun 'to over look the bungalow roof. I wish to eliminate contact with roof tiles on event of high winds and if a branch should fall. Please allow a 2 metre reduction and rounding of other branches to maintain shape.

Several branches have grown over boundary with my neighbour' '(No.3) who is also concerned that damage to roof tiles may occur in high winds if further growth over his house roof and conservatory occurs in next few years. I wish to reduce overhanging branches by 2 metres plus rounding of other overhanging branches to maintain shape of this beautiful old tree.'
