Name	Spalding & District Civic Society
Address	Spalding
Date Submitted	12-08-26
For/Against	Comments

Whilst we are not opposed to this modern type of advertising and information display, we think this site is not a suitable one.
It is adjacent to a traffic light junction and crossing and will be a distraction to drivers and potentially an accident risk.Turning the boards 90 degrees as suggested by Highways is not the answer.
Therefore we formally object.
We would suggest that siting a hub in Swan Walk where there is larger footfall would make more sense.
