DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The Client/ Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including illustrations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to be a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing may not be used as a contract document as is. The works must at all times be supervised / inspected on site by a competent person, who is not necessarily the author of this drawing. Agents responsibility to accept workmanship, substitution of materials, adherance to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. in strict accordance with manufactures instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Principal Supervisor will be required. The works shall comprise of all that is shown on the drawing and Details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
