Application H16-0687-25
Location Sir Halley Stewart Playing Field Winfrey Avenue Spalding PE11 1DA
Proposal Construction and operation of a micro energy storage project

Name Diane Gordon
Address SHDC Environmental Protection

Date Submitted 12-09-25
For/Against Comments

Following review of the SLR noise assessment
403.066391-00001 report i am satisfied that no adverse noise effects are likely from the
installation of the battery box, to the residents of nearby properties
