The Local Planning Authority does have concerns with regard to a loss of light to 6 Johnson Avenue when right to light calculations are made. If any extension covers more than half of an adjacent window(s) when a 45 degree angle is drawn is considered to constitute a material loss of light. If you wish to proceed with the design as currently proposed, I would strongly recommend submitting a shadowcast report to demonstrate the level of light loss to 6 Johnson Avenue at various times of the day and year.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of “agricultural tenant” in section 65(8) of the Act.
