DRAFT STATEMENT OF REASONS FOR MAKING ORDER

Fronting on to High Street, Spalding, are a number of properties with grounds which extend to the backs of more modern propertiw in Cley Hall Drive. In these grounds are some fine trees, forming a well-timbered area right in the middle of the town. They are thus an important asset to the amenities of Spalding.

One of the properties, Cley Hall, has recently come into the market and its grounds are being split up, with the likelihood of further building development. The County Council are making the Order to ensure that if development takes place the character of the area will not be destroyed by ruthless felling.
