Dear Greg

Further to our recent discussion regarding the railings we now submit our amendment. This comprises the following all of which are attached:

1. Completed amendment form.
2. Revised drawing A1572-02 Rev 6.
3. Revised HIA Rev 6

The drawing now shows the line of the railings immediately outside of the outer edge of the slabs surrounding the former paddling pool. This appears to accord with both your comments and those returned by David Walsh at HE.

The HIA has been amended, but only the pages as follows:

Page 26	-	Annotated plan view amended to show the new railing position.
Page 29	-	Revised CGI replaces original.
Appendices	-	Drawing updated to A1572-02 Rev 6 – to match.
Cover	-	Updated to Rev 6 to record amendments for railings.

There are no other amendments to the HIA.

We hope that you will find this amendment documentation complete, but should you have any queries I would be grateful if you would let me have them by return.

Kind regards
