Dear Sirs

Application for Approval to an amendment Ref No. H16/0711/03

We acknowledge receipt of your letter dated 27th October 2003 with reference to the above Application and the size of the plots.

The site has proved to be narrower than was shown on the Ordinance Survey, upon which the original application was made. It has been necessary, therefore, to adjust the dividing boundary between the plots as shown on the enclosed drawing.

The site, of course, is not in my control as it has been sold to G P Developments Ltd., and the changes in the position of the dividing boundary has been agreed by my client and the purchaser of Plot 2. We do not know what the latest proposals are for Plot 2.

In respect of Plot 1, the changes which have occurred are minor, and concern amendments to the internal layout. Externally, the fenestration on the western boundary has been reduced, the garage has been fractionally lowered and additional rooflights have been introduced to the main roof. In all other respects, the design and accommodation remain the same.

It is hoped that these changes can be accepted as an amendment.

Sincerely yours,
John D Lynch
