Description: Erection of two storey 'chalet' style dwelling

Location : Plot 2 Mercia Lodge Pinchbeck Road
Spalding

South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED for the development in accordance with the application and plans submitted, subject to any condition(s) set out below:

- 1 The development must be begun not later than the expiration of five years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990.

- 2 Before any development is commenced, a scheme of landscaping and tree planting for the site, including details of positions, heights on planting and species of trees and shrubs, shall be submitted to and approved in writing by the Local Planning Authority.

Reason: In the interests of visual amenity.

- 3 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

- 4 Arrangements shall be made for an archaeologist recognised by the Local Planning Authority to monitor all stages of the development involving ground disturbance in accordance with a scheme to be submitted to and approved in writing by that authority before development is commenced. A report of the archaeologist's findings shall be submitted to and approved in writing by the Local Planning Authority within one month of the last day of the watching brief, and shall include arrangements for the conservation of artefacts removed from the site.

Reason: The site is of archaeological interest.

- 5 Before any development is commenced details of a lighting scheme for the driveway shall be submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be installed before the dwelling is occupied.

Reason: In the interests of security.

- 6 Prior to development being commenced all trees being retained on the site should be fenced off at least 1 metre beyond the spread of such trees by means of a fence of a minimum 1200 mm high, consisting of chestnut paling firmly secured top and bottom to line wires fixed to fence posts a maximum of 2 metres apart. Such fencing shall be properly maintained throughout the period of construction and removed only when the development is completed and building work ceases.

Reason: To safeguard the trees during development.

- 7 Under no circumstances shall any material, machinery, tools, fuel, etc be stored, nor any builders huts and the like of temporary or permanent nature be erected in the area protected by the fencing. Trenches for any underground services which are to pass within the fenced area shall be dug by hand and care taken not to damage any tree roots whatsoever. When such services have been inserted in the trenches, the trenches shall be carefully backfilled and consolidated by foot every 150 mm of depth. Under no circumstances shall a machine dig be allowed within the fenced areas.

Reason: To safeguard the trees during the development.

- 8 Before construction of the garage commences elevational details shall be submitted to and approved by the Local Planning Authority.

Reason: No such details have been submitted.

The determined plans are:
1:100 dimensions of tree received 8 July 2003.
Dwg nos. 1587/SD7A and /SD8B received 29 July 2003.

The development hereby permitted will require the provision of a new vehicular access crossing. Applicants are requested to contact the Local Highway Authority's Divisional Office at Pode Hole - (Tel: 01775 769091) prior to the commencement of any works within the public highway.

The Environment Agency has objected to the proposal given the absence of a Flood Risk Assessment (FRA) under the provisions of Planning Policy Guidance Note No. 25 'Development and Flood Risk', July 2001. However, you are advised that this Council published a Strategic Flood Risk Assessment (SFRA) in February 2003 which shows the application site to be within an area adequately defended by existing Drainage Board systems. The Council is therefore satisfied that in this instance planning permission can be approved without the requirement of a Flood Risk Assessment. The Environment Agency has been notified of this decision.

Details of the Council's SFRA are available at the Council Offices, Priory Road, Spalding or on the Council's web-site, www.sholland.gov.uk.
