South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED for the development in accordance with the application and plans submitted, subject to any condition(s) set out below:

- 1 The development must be begun not later than the expiration of five years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990.

- 2 Before any development is commenced, a scheme of landscaping and tree planting for the site, including details of positions, heights on planting and species of trees and shrubs, shall be submitted to and approved in writing by the Local Planning Authority.

Reason: In the interests of visual amenity.

- 3 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

- 4 Before development commences details of the swimming pool plant and machinery shall be submitted to and approved in writing by the Local Planning Authority. The approved equipment

shall thereafter be installed and maintained and retained to achieve a noise level of no more than 30 dBA LA eq 5 minutes measured at a height of 1.5 metres above ground level at any residential boundary of the site.

Reason: In the interests of the residential amenities of the adjoining neighbours.

- 5 Prior to development being commenced all trees being retained on the site should be fenced off at least 1 metre beyond the spread of such trees by means of a fence of a minimum 1200 mm high, consisting of chestnut paling firmly secured top and bottom to line wires fixed to fence posts a maximum of 2 metres apart. Such fencing shall be properly maintained throughout the period of construction and removed only when the development is completed and building work ceases.

Reason: To safeguard the trees during development.

- 6 Under no circumstances shall any material, machinery, tools, fuel, etc be stored, nor any builders huts and the like of temporary or permanent nature be erected in the area protected by the fencing. Trenches for any underground services which are to pass within the fenced area shall be dug by hand and care taken not to damage any tree roots whatsoever. When such services have been inserted in the trenches, the trenches shall be carefully backfilled and consolidated by foot every 150 mm of depth. Under no circumstances shall a machine dig be allowed within the fenced areas.

Reason: To safeguard the trees during the development.

- 7 Before the development hereby permitted is commenced details of the type and colour of the materials to be used for external walls and roofs shall be submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure that the external appearance of the proposed development harmonises with existing buildings in the area.

- 8 Notwithstanding the provisions of Part 1, Class B, of the Town and Country Planning (General Permitted Development) Order 1995, no dormer windows or rooflights shall be installed without first obtaining planning permission from the Local Planning Authority.

Reason: To prevent overlooking.

The determined plans are:-
