TOWN AND COUNTRY PLANNING ACT 1990 FULL

Reference: H16-1072-24 **Date of Decision:** 10th September 2025
Applicant: Welcare Global Ltd.
Unit 1 Listerhills Science Park
Campus Road
Bradford
BD7 1HR
Location: The Grange 8 Pinchbeck Road Spalding
Description: Proposed change of use from vacant offices to 3 residential children's care home (C2) units

South Holland District Council, in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended), hereby give notice that permission has been GRANTED (or equivalent) for the development referred to above, subject to the following condition(s):

- 1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans and/or documents:

Design and Access Statement Incorporating Heritage Impact Statement
003 - Existing First Floor Plan
004 - Existing Front Elevation
002 - Existing Ground Floor Plan
001 - Location Existing & Proposed Block Plan
006 - Proposed First Floor Plan
007 - Proposed Front Elevation

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 Prior to commencement of the development hereby approved, a full photographic building recording of the site shall be carried out which contains:

1. A general view or views of the building in its wider setting.
2. The building's external appearance.
3. The overall appearance of the principal rooms and circulation areas.
4. Any external or internal detail, structural or decorative, which is relevant to the building's design, development and use, with scale where appropriate.
5. Any machinery or other plant, or evidence for its former existence.
6. Any dates or other inscriptions; any signage, makers' plates or graffiti which contribute to an understanding of the building. A transcription should be made wherever characters are difficult to interpret.
7. Any fixtures and fittings
8. Copies of maps, drawings, views and photographs, present in the building and illustrating its development or that of its site.

This photographic building recording should also contain a written account which provides the precise location of the property as an address and in the form of a National Grid Reference, a note of any statutory designations, the date of recording with the name(s) of the recorder(s) and the location of any archive material.

Thereafter, the photographic building recording report shall be submitted to and approved in writing by the Local Planning Authority and submitted to the Lincolnshire County Council Historic Environment Record for archiving within 3 months of completion.

Reason: To ensure that the heritage significance of the host property is properly recorded in its undeveloped state.

This Condition is imposed in accordance with Section 16 of the National Planning Policy Framework, December 2024.

- 4 Prior to the implementation of landscaping on the site and before the first occupation of the development hereby approved, the approval of the Local Planning Authority is required to a scheme of landscaping and tree planting for the site (including a full tree survey conducted by a suitably qualified arboriculturalist) indicating, inter alia, the number, species, heights on planting and positions of all the trees, together with details of post-planting maintenance.

Such scheme as is approved by the Local Planning Authority shall be carried out and completed in its entirety during the first planting season following practical completion of the development. All trees, shrubs and bushes shall be maintained by the owner or

owners of the land on which they are situated for the period of five years beginning with the date of completion of the scheme and during that period all losses, in the opinion of the Local Planning Authority, shall be made good as and when necessary.

NOTE: The submitted landscaping proposals shall demonstrate that Biodiversity Net Gain will be achieved on site, using the Biodiversity Metric 3.1 (or any successor).

Reason: To ensure that the development is adequately landscaped, in the interests of its visual amenity and that of the area in which it is set, and that Biodiversity Net Gain will be achieved.

This Condition is imposed in accordance with Policies 2, 3 and 28 of the South East Lincolnshire Local Plan, 2019 and the Environment Act 2021.

- 5 Details of the proposed door surround to the additional door proposed to be situated on the front elevation (indicated on plan 007) shall be submitted to and approved in writing by the Local Planning Authority prior to its installation. Such details shall indicate, at a scale of not less than 1:10, the elevation, longitudinal and cross-sectional detailing inclusive of pilasters and pediment. The doors and door frames shall be installed in accordance with the approved details and thereafter so maintained.

Note: The applicant is advised that the proposed surround and door should match as closely in style the extant, original front door.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of this listed building, and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and Sections 12 and 16 of the National Planning Policy Framework, December 2024.

- 6 Details of the design of all external doors and door frames to be utilised in the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority prior to their installation. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing (including reveals), threshold and lintol detailing, and means of opening. The doors and door frames shall be installed in accordance with the approved details and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of this listed building, and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and Sections 12 and 16 of the National Planning Policy Framework, December 2024.

- 7 Details of the window frames to be utilised in the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority prior to their installation. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing (including reveals), cill and lintol detailing, and means of opening. The window frames shall be installed in accordance with the approved details and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of this listed building, and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and Sections 12 and 16 of the National Planning Policy Framework, December 2024.

- 8 Notwithstanding the contents of the submitted design and access statement, prior to first occupation of the care facility hereby approved, a detailed Management Plan shall be submitted to, and approved in writing by, the Local Planning Authority. For the avoidance of doubt the Management Plan shall set out:

- Details of the number of staff to occupy the property at one time and the pattern of staff shift changes;
- The maximum number of children to occupy the property at one time;
- Expected frequency and purpose of visitors to the site;
- The arrangements for the management and maintenance of all the outdoor amenity area within the site.

The care facility will be operated in accordance with the approved Management Plan at all times.

Reason: To safeguard the amenities of the adjoining premises and the area generally.

This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan (2019)

- 9 The development hereby permitted shall be carried out in accordance with the measures set out in the Flood Risk Assessment (ECL0782-2/MA IQBAL ARCHITECTURE) forming part of this planning application, unless otherwise agreed in writing by the Local Planning Authority. In particular, the following measures shall be fully implemented before the property is first occupied:

- Ground floor levels should be a minimum of 0.15m above surrounding ground level.

Note: The above approved plan does not constitute final approval of detailed site levels or finished floor levels.

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding.

This Condition is imposed in accordance with Policies 3 and 4 of the South East Lincolnshire Local Plan, 2019 and Section 14 of the National Planning Policy Framework, December 2024.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public

consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at <http://planning.sholland.gov.uk/OcellaWeb/planningSearch>

Biodiversity Net Gain

The applicant's attention is drawn to the following Biodiversity Net Gain requirement.

The effect of Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 is that planning permission is deemed to have been granted subject to the "biodiversity gain condition". The effect of this "biodiversity gain condition" is that development granted by this notice must not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan, or
- (c) the development is exempt from the biodiversity gain condition.

For guidance on the contents, in respect of the details that must be submitted and agreed by the Local Planning Authority, prior to the commencement of the consented development, please see the GOV.uk website and Planning Practice Guidance.

Statutory exemptions and transitional arrangements

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at <https://www.gov.uk/guidance/biodiversity-net-gain>.

Based on the information available and submitted in support of this application, the Local Planning Authority considers that the development hereby permitted is exempt and therefore will not require the approval of a biodiversity gain plan, prior to the commencement of development; with the development comprising a statutory exemption as listed below: -

The application is for the conversion of an existing property, with the only substantive works being minor alterations to the building itself and the replacement of an existing paved surface to the rear with a permeable hard standing surface for parking. In this way, the proposal does not affect any priority habitat, much less any sum greater than 25 square metres. Therefore, the application is considered De Minimis and therefore exempt.

As such, the development hereby permitted will not be subject to the biodiversity gain condition.

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

For clarity the LPA do not consider that irreplaceable habitats are present at this site.

The Biodiversity Gain Plan must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the irreplaceable habitat.

The planning authority can only approve a Biodiversity Gain Plan if satisfied that the adverse effect of the development on the biodiversity of the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits.

Effect of Section 73(2D) of the 1990 Act

Under Section 73(2D) of the Town and Country Planning Act 1990 (as amended) where

(a) a biodiversity gain plan was approved in relation to the previous planning permission ("the earlier biodiversity gain plan"), and

(b) the conditions subject to which the planning permission is granted:

(i) do not affect the post-development value of the onsite habitat as specified in the earlier biodiversity gain plan, and

(ii) in the case of planning permission for a development where all or any part of the onsite habitat is irreplaceable habitat within the meaning of regulations made under paragraph 18 of Schedule 7A, do not change the effect of the development on the biodiversity of that onsite habitat (including any arrangements made to compensate for any such effect) as specified in the earlier biodiversity gain plan.

- the earlier biodiversity gain plan is regarded as approved for the purposes of paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended) in relation to the planning permission.

The applicant is reminded that any and all mature trees on land owned by them are situated within a designated Conservation Area and are therefore offered a degree of protection and the applicant may require formal consent for any significant works. Therefore, no substantial works to any mature trees on site should occur without proper consultation with South Holland District Council's Trees and Nature Conservation Officer.

Phil Norman
Assistant Director - Planning and Strategic Infrastructure
South Holland District Council

BUILDING REGULATIONS:

This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

<https://www.gov.uk/appeal-householder-planning-decision>

<https://www.gov.uk/appeal-planning-decision>

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning-inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR the **timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
