Dear Tracey

Re: 25 Spring Gardens Spalding H16-0729-11

Further to our telephone conversation of today please find enclosed 2 copies of the plans amended to show the roof pitch reduced from 18 degrees down to 15 degrees thus reducing the additional height by 225mm, together with the note regarding the application of masonry paint to the North-East wall of the extension.

We feel that this will give the neighbours at 25A better light quality to the single storey rear section, due to the proposed reflective nature of the adjacent wall.

We hope that this will meet with your approval and remain.

Regards

John Cooper.
