Dear Sirs

SECURITY & RECEPTION IMPROVEMENTS, SPALDING PASTRY FOR KERRY FOODS

On behalf of our Client, we wish to make a detailed Planning Application for the Reception and Security lobby extension to the existing food processing facility in Fulney Lane.

We enclose 4no. copies of the completed Planning Application Form, Ownership Certificates, Design and Access Statements and the following Architects Drawings: -

- 3826/01 Security/Reception Extension
- 3826/02 Security Fencing and Bridleway Diversion
- 3826/03 Existing and Proposed Reception Elevations
- 3826/04 Location Plan

We also enclose a cheque made out to South Holland District Council in the sum of £170.00 to cover the Planning Fee.

A Flood Risk Assessment has not been included within the application as the proposed extension is to be constructed upon existing paving, draining to the existing surface water drainage and will not increase the flow rates into the existing drainage system.

If you have any queries or wish to discuss any matter in more detail, please do not hesitate to contact us.

Yours faithfully
for Peter Haddon and Partners
