DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, reused, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect as that design commencements may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is issued for the purposes of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any persons thereof. It is the client or their appointed agents responsibility to control workmanship, suitability of materials, adherence to specification, satisfactory to comment etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. to strict accordance with manufacturers written and published details of practice. Materials used conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the appointed contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety Legislation for Building sites and Short Stores. The Employer / Client is advised that should it be required need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comply in all but in shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
