Application	H16-0764-17
Location	19 MALLARD ROAD SPALDING PE12 6ND
Proposal	Use of site for parking of HGV vehicles

Name	Steve Branson
Address	Environmental Health Technician Safety and Environment

Date Submitted	23-08-17
For/Against	Comments

The applicant has not provided enough detail for me to comment fully however I have concerns about the proposed use and the potential impact on the surrounding residential properties.
It is also not clear whether this will be an operating centre (which would require a license from the Office of the Traffic Commissioner).
