Date (must be pre-application submission)

28/01/2022

Details of the pre-application advice received

28/01/2022 - Submission 1

1. Principle of C2 use care home is acceptable
2. Evolution of subservient building form to Churchgate - more emphasis on vertical required - form seems too modern in comparison to rest of building
3. Concerns related to impact of drive through and heights for service vehicles
4. Building volume step down towards the rear of the site needs further consideration
5. Blank elevation along inner courtyard elevation needs further consideration
6. Local parking assessment to be carried out
7. Details of servicing to home by vehicle journeys be detailed in a future application
8. Detailed justification to be submitted for the reduced parking provision on site without support from public facility
9. Increase in covered/secure cycle parking on site

27/05/2022 - Submission 2

1. Proposed development set back further from certain boundaries - design changes have resulted in a reduction in the number of bedrooms from 93 to 88
2. Reduction in bedroom numbers has a knock on impact on other facilities needed such as the Travel Plan, car parking, cycle storage and refuse and recycling collection
3. The reduction in building footprint gives greater opportunity for gardens and other open spaces
4. The redesign and increased articulation of building form to the North-West at Churchgate is recognised as a subservient form to the primary elevation
5. The use of archways to vehicle access points gives a more appropriate design feature as well as giving greater headroom for service vehicles
6. Recessed brick panel windows are a revised solution to better resemble actual windows - this is encouraged

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

- ☒ No
