Dear Jason

Wykeham Staff Services is a recruitment employment agency employing between 200 and 350 people in agriculture, horticulture, and factories in and around the Spalding area. We have been operating from the ports cabin for just over 12 years. My management team of seven people will be working on site although it would be unusual for them all to be on site at the same time as some of them are out visiting customers ensuring good service, customer care and making sure staff on various sites are alright. The operating hours of the office are normally 7am-5pm Monday-Friday, and 7am-11am Saturday, although this can vary at busy times of the year.
Kind Regards
Martin
