The school site lies within the settlement boundary for Spalding as designated in the South Holland Local Plan and also within Flood Zone 3. All of the options presented appear to lie within Flood Zone 3 and as such, a Flood Risk Assessment will be required to accompany the application, including justification for the development in this location.

Details of surface water and foul drainage should be included with the application.

The application should be accompanied by a Design and Access Statement.

Two sides of the site appear to be adjoined by residential properties and it is suggested that the impact of the proposed development is considered in choosing which option to take forward and the design of the development.

The school sites is also located near to a Conservation Area and the potential impact of the proposed development on this should be addressed.
