Dear Sir

Condition Compliance, Colour Of External Walls For Garage, 29 Hereward Road, Spalding.

I refer to your condition compliance application for the approval of the wall colour for your garage.

The condition requires some form of treatment of the garage walls so that they harmonise with the houses. Such treatment would include painting the garage with a suitably coloured masonry paint. Alternatively it may be possible to obtain the garage in a different colour to the proposed grey, which would harmonise successfully with the bricks of the houses.

I await your comments.

Yours faithfully
