Name	J Reith
Address	Environmental Health Technician Safety and Environment
Date Submitted	05-10-17
For/Against	Comments

I have considered the Phase 1 and 2 Investigation Report No. 728-R-01 dated August 2017 by CSG Consulting Engineers. The report recommends further investigation into the asbestos found in one of the soil samples, so therefore I request parts 2 - 4 of the contaminated land condition for this application.
