Date: JUNE '03	Drawn: GRM

Scales
AS INDICATED

DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site and services are recommended in the case of foundations to establish specific site conditions before foundation work is undertaken. The drawings are to be read in conjunction with all other relevant drawings and does not purport to provide a full specification of the works. It is also to be noted that no work is to be covered up before it has been approved. This drawing — or not be used as a contract document alone. The works will not be supervised or inspected — site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is competent to undertake the works and is familiar with the requirements of the Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should they have need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
