DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photocopied or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to sensitive specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works, it is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be used as a contract document. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to ensure workmanship, substitution of materials, adherence to specification, compliance to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. to strict accordance with manufacturers instruction and relevant codes of practice. Maximum shell condoms to appropriate British standard specification or BBA certificate or Butylmass code equivalent. The Temporary / Class shall ensure that the selected contractor is competent with and adopts all measures necessary to achieve compliance with Health and Safety Regulation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on this drawing and details, work that may not specifically shown but may be reasonably believed as necessary to carry out the works shall be deemed to be included.
