**DO NOT SCALE FROM THIS DRAWING**

This drawing is copyright and may not be altered, traced, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the consultant. All dimensions shown on this drawing including those relating to existing work are to be checked on site before any work is put in hand or materials ordered. Allowance for dimensional conditions which may be discovered during construction unless reported to the contract no final design commitments may be considered. Site soil surveys are recommended before any foundation design is commenced. Foundations are designed on assumed ground conditions. This drawing is limited to the extent of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to ensure adequate supervision of materials, adherence to specification, variations to advised etc.

All materials to be new / store otherwise stated and all components and materials are to be used fixed and installed only in strict accordance with manufacturers instructions and relevant codes of practice. Materials shall conform to appropriate British Standard specification or BBA certificates of fitness where applicable. The Contractor / Client is to ensure that adequate precautions are taken in accordance with and advice of measures necessary to achieve compliance with Health and Safety legislation for Building sites and their places. The Contractor / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall complete in all but a shown on the drawing and details. Work that may not specifically shown but may be reasonably internal as necessary to carry out the
