14. Pre-application Advice

"Thank you for your enquiry. The proposed is outside of the defined settlement limits of Spalding but close to the proposed Holland Park Development. On the 2115 South Holland Strategic Flood Risk Mapping, the site is shown to be a Danger for Most hazard area, with a predicted maximum flood depth of 0.5 metres to 1 metre. Finished floor levels will have to be set at a minimum of 1 metre above ground level to meet flood risk requirements. This would lead to a development out of keeping with the character of the surrounding area. There are more sequentially preferable sites within the defined settlement limits of Spalding, so the Local Planning Authority wouldn't be in a position to support the proposal should an application be forthcoming."
