To Whom It May Concern,

Please find attached the planning application for change of use for 23 Hall Place, Spalding.

We are currently run our tanning salon from 1 New Road Spalding, which is attached to 23 Hall place.

Due to business growth we require a larger premises to keep up with demand in the local town.

We operate 6 days a week. Monday-Friday 11am – 19:00 and Saturdays 09:00-17:00. Our business model will be the same as it is currently.

We are looking for a quick decision so we are able to start much needed building works in the new premises should our application be successful.

Kind Regards

Elaine Thorne
