Ref: 0910/04

Toilets to utilise drainage and cold water feed
which already runs to designated room.

Doorways not to scale!
But will be wide enough to allow wheelchair access

= External Wall

= Internal Wall

= Timber frame wall, partition or counter to be added

Light ceiling for wooden beams and plaster board to be added to Reception area, shop, coffee area and play area (shaded in green) to prevent heat loss and energy waste.

Toilets, Fire exits and Ceiling are required by Council building regulations. And are essential to our operation.
