H16-0923-25 2WM – Councillor Hasan

Good afternoon Mr Watkinson,

I hope you had a great Christmas & happy new year.

I object to planning application H16-0923-25. The proposed outdoor coffee/bar servery is likely to result in increased noise and disturbance and represents an intensification of use that may negatively impact nearby residents and businesses. There are also concerns regarding the effect on the character of this prominent site and the lack of detail relating to operating hours and noise control measures.

In addition, I have received numerous complaints from residents regarding activities at The Sessions House.

Given these concerns, I request that this application be referred to the Planning Committee for full determination, rather than being decided under delegated powers.

Best wishes,

Councillor Manzur Hasan PhD.(Hon)
