Application	H16-0934-16
Location	17-21 Winsover Road Spalding PE11 1EG
Proposal	Details of contaminated land, archaeological report, brick and roof details (Conditions 5 and 18, and Part Condition 14 of H16-1004-09)

Name	J Reith
Address	Environmental Health Technician Safety and Environment
Date Submitted	20-10-16
For/Against	Comments

The Geoenvironmental Desk Study (Reference 0385/1) satisfies the contaminated land condition. I would like to draw the applicant's attention to the paragraph relating to 'unexpected contamination' on page 22 of the report. Also the developer must ensure that any topsoil imported on site is 'clean' and free from contamination.
