Dear Sirs

Land off Park Road, Spalding

Further to our recent site meeting and subsequent telephone conversations I am able to submit to you two copies of our layout indicating revised wall and fence positions.

As you will see these drawings clearly indicate the amended wall and fence location as per our negotiations on site.

I can also confirm that were the staggered wall (type A) has been used hard against the site boundary the small strips of land conveyed to the private owners but on the far side of the wall will be hard paved. This will remove any need for them to access the far side of the wall for maintenance.

We trust you will find our proposals acceptable and will be able to confirm that this is so in due course.

Yours faithfully

For the Attention

Dear Sir,

Housing at Park Road. Spalding
Application No. H16/0936/95

We refer to our meeting on the 24th October at your offices, and to our subsequent telephone conversations regarding detail matters. We now enclose copies of our drawing no. 201A, amended as discussed, for substitution in the Application. We also enclose copies of our drawing nos. 203 and 204 showing details of boundary wall treatment.

We can confirm that a meeting on site has taken place between our landscape consultant and your Mr. Peter Moores at which the existing trees along Park Road were examined in detail. A landscape scheme drawing for the complete site including those findings will be sent to you under separate cover by Trevor Bridge Associates.

Following our discussion on materials, we enclose, as agreed, a copy of the site layout on which we have marked our proposals based on a mix of roofing tiles and facing bricks common to Lincolnshire. We also enclose a sketch showing the type of detail elevational treatment we have in mind. If you will let us have your approval in principle to these, we will forward finalised information on a per plot basis as necessary.

We confirm that a copy of the revised site layout marked with areas proposed for adoption has been sent direct to Mr. Briggs at the County Highways Department.
