Dear Ross,

The Lutyens War Memorial, Ayscoughfee Hall, Spalding, Lincs
Treatment of wreaths and crowns

I write to confirm the agreed finish to the wreaths and crowns at the top of the flags.
.
Whereas the paint samples looked at only revealed several layers of gold paint, once we examined the wreaths in harder to get to places we found very clear evidence that they were originally gilt, as per the example in the photograph below.

The agreed finish is to re-gild the wreaths and crowns using gold leaf.

Please do not hesitate to contact me if you have any queries.

Yours sincerely
