I have reviewed the GD Pickles Ltd Environmental Assessment Report 'Proposed development at land on Burr Lane, Spalding PE12 6AZ for Mr G Whitwell' GDP Project number 1856 dated 18/06/2018 and I can confirm that this is sufficient to discharge condition 7 of H16-0242-18 in full. As always, the applicant is reminded that should contamination not previously suspected be encountered, work should cease until a scheme to deal with it has been agreed with the Local Authority.
