Reason: To ensure a satisfactory development in this important part of the Conservation Area between two Listed Buildings.

5 Before any other development is commenced, a sample panel of brickwork shall be erected and approved by the Local Planning Authority.

Reason: To ensure a satisfactory development in this important part of the Conservation Area between two Listed Buildings.

6 Before development is commenced detailed drawings showing how the new building will abut the adjoining Listed Buildings shall be submitted to and approved by the Local Planning Authority. Any discovery during demolition or other works that necessitate any variation from the approved details shall be reported to and amended details submitted to and approved by the Local Planning Authority.

Reason: To protect the historic and architectural interest of the Red Lion and White Hart, Grade II Listed Buildings.

7 Arrangements shall be made for an archaeologist recognised by the Local Planning Authority to monitor all stages of the development involving ground disturbance in accordance with a scheme to be submitted to and approved by that authority before development is commenced. A report of the archaeologist's findings shall be submitted to the Local Planning Authority within one month of the last day of the watching brief, and shall include arrangements for the conservation of artefacts removed from the site.

Reason: The site is of archaeological interest.

Your attention is drawn to the need to comply with the provisions of Section 4, 7, 8 and 8(a) of the Chronically Sick and Disabled Persons Act 1970, where appropriate, and to the Code of Practice for Access of the Disabled to Buildings (British Standard Institutions code of practice BS 5810:1979) or to Design Note 18 'Access for Disabled People to Educational Buildings', or to documents replacing such codes. Any work required which would alter the proposal hereby permitted may need a further application for planning permission.
