**DO NOT SCALE FROM THIS DRAWING**

This drawing is copyright and may not be altered, traced, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on the drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect as that deems amendments may be considered. Site soil surveys are recommended in respect of foundations in extremes specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the work. It is solely for the purposes of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document exists. The works left not be dimensioned or interpreted on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to correct workmanship, substitution of materials, differences to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials are to be used fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate BSS and shall bear the BSI kitemark or the equivalent.

European work requirements. The Employer / Client shall ensure that the selected contractor is competent with and able to all measures necessary to achieve compliance with health and safety legislation for Building site and Work places.
