DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that which it was prepared for. Contractors are to check all dimensions on site and report any discrepancies to the Engineer before work is commenced. All foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended. In respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is diagram in the amount of information comprised and does not purport to constitute a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. The drawing shall not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, submission of materials, adherence to specification, workforce to contract etc.
