Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING
The drawing is copyright and may not be stored, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All builds are to be in accordance with current Building Regulations and Codes of Practice. Any variations are to be agreed upon. Special site conditions may require variations to the drawings. No responsibility can be accepted for work carried out from the design and methods may be necessary. Site and structure investigations should be carried out before commencement of any work. It is assumed that the contractor has satisfied himself as to the nature of ground conditions, whether they be as shown, and accepts responsibility for all excavations and temporary works. It is solely for the contractor to determine specific site conditions before foundation work is undertaken. This drawing should be read in conjunction with all relevant specifications, schedules, bills of quantities and other documentation prepared for the works. It is solely for the purposes of obtaining Planning / Building Regulation approval. This drawing is not to be used as a working document unless it is signed by the Architect and dated for construction. This drawing and all rights in it are the property of G.R. Merchant and may not be reproduced or used in any manner without the prior written consent of G.R. Merchant or any representative thereof. It is the duty of their appointed agents responsible to control workmanship, authorities or contractors, authorised to work on the construction, variations to and as-built drawings.
All materials to be used where possible to be obtained from local suppliers and all workmanship and materials are to be used in accordance with the British Standard Specifications and Codes of Practice.
