Dear David

Following your visit to site and discussions with Sam please find attached the drawings as promised. We have also added a hard copy in today's post. You will notice that the new roofs run into the existing and all of the first floor glazing to the southwest elevation is to be obscured. This is following site meetings and in consideration to the adjacent neighbour.

We trust this meets your requests however if you have any comments or queries do not hesitate to contact us.

Regards

Rod Davison
