10 November 1994

Dear Sir & Madam

Details of Landscaping Scheme for Proposed Garages : Land Adjoining 170 Winsover Road, Spalding

I would be grateful if you could provide me with some more information on your landscaping scheme. I do not appear to have any information or record of a tree called "Elwon", I would be grateful if you could provide me with details of what this tree or shrub looks like, or its Latin name so I can attempt to trace it. I would also be grateful if you would advise on what height these plants will be planted at and what height they will be maintained at.

In addition you propose to plant a bed of ground covering shrubs and I would be grateful to know what species are intended. Again I would wish to know the height on planting, their spacing and their potential height.

I thank you for your help in this matter, and enclose the necessary amendment forms and standard letter and look forward to your comments within the next 14 days.

Yours faithfully

H P MIDDEN
Principal Planning Officer (Development Control)

Spoke to Mr Sutterill 23-11 amendments to follow
