Dear Sir

Planning Application H16/1052/94 - Form New Sun Lounge, 16  
Clay Hair Drive, Spalding (Mr & Mrs M & J Fowler)

Thank you for the amended plan in respect of the above.

Unfortunately, it still appears that they do not accurately  
reflect the development actually built. To be more specific,  
there appears to be a greater distance between the top windows  
and the roof. This appears to be the case in respect of the  
sun lounge and also the kitchen/ utility approved earlier.

Pursuant to the above, therefore, amended plans will be  
required which rectify this in respect of the current  
application and also the previous submission (ref  
H16/051/94).

I therefore look forward to the receipt of the above within  
the next 10 days, so that I am in a position to proceed with  
the application.

Yours faithfully

Dear Sir

Planning Application H16/1052/94 - For a New Sun Lounge, 16  
Cley Hall Drive, Spalding. (Mr & Mrs M G Fowler).

I refer to the above application submitted by yourself.

It is noted that the application is retrospective and that the development constructed does not totally accord with the submitted plans (e.g. the design of the patio doors appears to differ).

Given the above, I would be pleased to receive amended plans within the next 10 days which remedy this, so that I am in a position to proceed with the application.

Yours faithfully

Dear Brian

2. Application 1416/1052/94 : 16 Cleg Hall Drive

The further extension to our next-door neighbours' house has already been built. Fortunately, the impact on our amenities is not significant and we have been able to work straight through with no interruption to the project, but I am sure the above will be of help.

1. The first of these is the *problem of the origin of the universe*. The second is the *problem of the origin of life*. The third is the *problem of the origin of the human race*.
