Hi Tracey

Thanks for the email. The colour proposed for the external walls is from PortaKabin's range and is known as Wedgewood Blue. The submitted image on page 1 (copy attached) shows the intended colour.

Hope this helps.

Kind regards

Hi Andrew,

I am just finalising my part of the above application. Would you be able to advise please of the colour of the proposed staff welfare building? Or would it be acceptable to condition the application to be the same colouration as the principal existing buildings on site? If you could let me know as soon as you can, I would appreciate it.

Regards
