Dear Sirs

RE: FLOOD RISK STATEMENT**SAINSBURY'S SUPERMARKET, HOLLAND MARKET, SPALDING, PE11 1RQ**

The existing site is situated within a flood zone according to the EA website. As the existing area is hard landscaped and the Timpson Pod is only 14.6 sq m we did not consider a full flood risk analysis is required as the installation will have minimal impact on the flood risk of the site.

Yours faithfully

A handwritten signature in black ink, appearing to read 'J Spinks', is written over a horizontal line.
